Explore patient care in our state-of-the-art Nursing Skills and Simulation Center

## Bachelor of Science in Nursing

### Begin your journey to a career helping others

***Nurses work on the frontlines of healthcare every day, advocating for patients and their families in some of their most vulnerable moments. They are a critical part of a patient's care team, acting as a liaison between medical doctors and their patients — providing evidence-based, patient-centered care. A degree in Nursing opens doors to rewarding career opportunities in hospitals, schools, community health centers, rehabilitation centers, private clinics, and more. Now, more than ever, we need skilled and dedicated nursing professionals to join the frontlines of the healthcare field.***

### Train for a rewarding career as a registered nurse

In this program, you will learn the skills and knowledge necessary to become an advocate for your patients and their families. You will develop a deeper understanding of patient wellness and quality care by growing your skills in critical thinking, ethical decision-making, and evidence-based practices. As a UB Nursing student, you'll learn from experts in the field and practice your skills in our state-of-the-art Nursing Skills and Simulation Center. In addition, you'll have access to clinical practice and internship opportunities through the relationships UB has built with medical facilities throughout the state.

### Prepare for success at UB

University of Bridgeport's BSN degree program will help you develop the advanced skills needed to succeed in any healthcare setting. UB's faculty of medical experts have extensive knowledge and experience in the field. With their support, you will learn to provide efficient and compassionate care to patients in a variety of medical settings.

The bachelor's in Nursing program at UB will prepare you for an exciting and fulfilling career making a difference in the lives of others.

## Bachelor of Science in Nursing

### Nursing BS

In this traditional, on-campus BSN program, you'll prepare for a rewarding career as an RN. UB Pre-Nursing students apply to the BSN program in the spring of their first year. Transfer students applying to the BSN program can transfer up to 60 credits from a previous accredited institution.

### Admission requirements

- Complete the application for enrollment at [bridgeport.edu/apply](https://bridgeport.edu/apply).
- Complete the University of Bridgeport School of Nursing supplemental application.
- Must have a cumulative GPA of 3.0 or higher.
- Submit transcripts.
  - Submit proof of high school completion or its equivalent.
  - Submit transcripts from all colleges/universities attended (*transfer applicants*).
- Students must submit a personal essay.
- Complete the TEAS test.
- Submit two completed recommendation forms. Please review the recommendation form for specifics.

Please review the **BSN Admissions Guide** for a full list of required materials for new applicants.
