

How to install LockDown Browser

LockDown Browser must be installed to each computer being used to take a quiz. Follow the instructions below to install the Windows or Mac version of LockDown Browser.

The screenshot shows the Canvas LMS interface. On the left is a navigation menu with items: Modules, Syllabus, Grades, People, Panopto Recordings, Collaborate Ultra, and Quizzes (highlighted with a '1' in a circle). The main content area shows 'Assignment Quizzes' with a quiz card for 'Syllabus Agreement Quiz- Requires Respondus LockDown Browser' (due Feb 1 at 11:59pm, 5 pts, 1 Question) with a '2' in a circle. A 'Take the Quiz' button with a '3' in a circle is visible on the right. Below the quiz card is a message box with the text 'Respondus LockDown Browser Required' and instructions to launch the browser or download it from a link (with a '4' in a circle).
