COMPUTER SCIENCE AND ENGINEERING, PH.D.
ADMISSIONS INFORMATION AND CHECKLIST

ADMISSION REQUIREMENTS

– Bachelor’s degree and master’s degree in computer science, or engineering or a related STEM field from an accredited university or recognized international institution
– Recommended cumulative undergraduate and graduate grade point average of 3.5 or higher

Supporting Materials:

☐ Official transcripts from every college or university attended across undergraduate and graduate study
☐ Two letters of recommendation
  – Letters must be signed and come from employers, professors, or professional associates. Your recommenders should comment on your work ethic, academic or professional experience in your field of choice, and how you would positively contribute to the university’s School of Engineering.
☐ Personal statement
  – In 250 – 500 words, describe your aptitude and motivation for graduate study in your area of specialization, including your preparation for this field of study, your academic plans or research interests in your chosen area of study, and your future career goals. Please be specific about why the Ph.D. in Computer Science and Engineering degree at the University of Bridgeport would be a good intellectual fit for you.
☐ Professional resume or CV
☐ GRE scores
  – Minimum score of 150 in Verbal and a minimum score of 165 in Quantitative is required

DEADLINES

Completed application and all supporting documents must be received by:
– February 1 for fall semester consideration
