Health Sciences Scholarship Form

The University of Bridgeport has an international reputation for being one of the premier institutions in the United States for academic programs in the Health Sciences that focus on an integrated approach to practice. We are very pleased to announce, beginning for the Fall 2011 semester, we will be offering **academic merit scholarships** up to **\$5,500 per year** for the duration of the academic program. Multiple scholarships are available in each of the following programs:

- Chiropractic (D.C.)
- Naturopathic (N.D.)
- Acupuncture (M.S.)
- Human Nutrition (M.S.) On-Campus Program
