

UNIVERSITY OF
BRIDGEPORT

Physician Assistant
Institute

Dear PA Colleagues,

The University of Bridgeport Physician Assistant Institute is authorized to award AAPA sponsored Category I CME to our PA preceptors. Please accept this as a token of our appreciation of your efforts in educating, guiding, and preparing our students for clinical practice.

AAPA CME STATEMENT: University of Bridgeport has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit to eligible PA preceptors. Approval is valid from 2/1/2025 to 2/1/2027. AAPA reference number: CME-208810.

Each PA preceptor is eligible to earn 2 hours of Category 1 CME for every 40 hours spent precepting a student. The AAPA has removed the maximum allowable number of hours that can be claimed (previously there was a limit of 20 credits per year). At this time, Category I CME certificates may be awarded only to PA preceptors, as supported by the AAPA.

Attached please find the Preceptor Evaluation and Reporting form. Please complete all sections and return to the University of Bridgeport Physician Assistant Institute no later than 12/31 for the calendar year you wish to receive CME credit for hours precepted. Preceptors are responsible for tracking hours and should only claim hours spent directly precepting students.

Any questions or concerns regarding obtaining your CME certificate may be referred to:
Christine Rowland, PA-C, MSPAS, CAQ-Psychiatry
Assistant Coordinator of Didactic and Clinical Education

We thank you for your continued support of the University of Bridgeport PA program and your dedication to our students' education.

Sincerely,

Michelle Lea, PA-C
Director of Clinical Education
