

UNIVERSITY OF BRIDGEPORT

LOVE Story

Carol Harellick BS 61 and John Fitzsimons BS 63 met at UB. They have been married for past 58 years and are living in NYC. Carol has a Ph.D. in Clinical Psychology and is a retired psychotherapist. John, has a Ph.D. and is a retired superintendent of schools. Carol was the manager of Seely Hall during the years of 1967-1973. We owe a great deal to UB, and we are so glad it has been rescued from years of financial problems. May its future be filled with much success.
