

LOVE Story

Nancy ('68) and Howard ('70) met in 1966 during Nancy's first week at University of Bridgeport. She had just enrolled in the Fones School of Dental Hygiene and Howard was a marketing major in the College of Business Administration. They met at a hamburger joint right off campus when Howard saw a beautiful woman and asked if anybody knew her. His roommate happened to be from the same town as Nancy on Long Island and so they met and fell in love, spending over 50 happy years together, with a daughter and two grandchildren. In 2018, Nancy was a speaker at the Fones School Commencement, and both have been honored as UB Golden Knights. Today the Copelans live in Florida, and serve as alumni ambassadors for UB in the Sunshine State.
