

# LOVE Story

Susan ('90) and Tom ('89) met at UB Law School while taking a Trial Advocacy course with Professor Errante and participating as board members in the Moot Court Society. After class one day, a group of students decided to go out to a bar for a drink. Tom sat next to Susan and they hit it off, exchanging phone numbers. Tom asked Susan out for Valentine's Day 1989, and after the date, she went home and announced to her father that she had met the guy she was going to marry. Eight months later they were engaged and married on October 6, 1990, enjoying thirty years of marriage, five children and careers as attorneys, magistrates, and professors.
