Associate and Bachelor's Degrees in Business Administration

Earn a business degree that's focused on your future

Now, more than ever, we need business leaders and entrepreneurs looking toward the future. The Business Administration program at University of Bridgeport is designed to empower you with the skills and knowledge to bring a business from the concept phase to its launch. Whether you want to manage and grow an existing business or build something from the ground up, you'll have access to the resources and industry expertise you need to achieve your career goals.

Prepare for a rewarding career

Business leaders create innovative solutions to unique challenges in everything they do. In this program, you'll develop the critical thinking skills and expertise you need for a rewarding career as an entrepreneur and business professional. Graduates of UB's associate and bachelor's degrees in Business Administration go on to launch start-ups, educate small business owners, and lead companies of all sizes.

Ernest C. Trefz School of Business

At UB's Ernest C. Trefz School of Business, classes are taught by expert faculty, including executive business leaders, lawyers, entrepreneurs, and finance experts. Their diverse backgrounds and teaching strategies will prepare you to understand the realities of running businesses of all sizes in any economy.

Associate and Bachelor's Degrees in Business Administration

Associate degree in Business Administration

With an associate degree in Business Administration, you'll enjoy a rewarding career as a small business owner or grow your career with an existing organization. When you finish this two-year program, you'll have the option to continue your education by earning your bachelor's degree.

Bachelor's degree in Business Administration

Graduates of UB's School of Business go on to have rewarding careers in all levels of business administration. Our Innovation Center will allow you to collaborate with experts and your peers to create business solutions that create jobs and stimulate local, regional, and international economies.
