Master's Degree in Business Administration

The world needs more business leaders and entrepreneurs with the leadership skills and creative outlook to bring organizations of all sizes into the future. A master's degree in Business Administration (MBA) unlocks doors to new opportunities and financial security by giving you the tools to grow your career. Whether you're looking to change careers or move up in your current organization, earning your MBA will give you a competitive edge in the marketplace — setting you on the path to success in your career.

Become a business leader in your own way, on your own time

We offer classes online or on-campus — giving you the flexibility and freedom to earn your degree on your timeline. At UB, you can customize your educational experience by choosing from one of seven MBA concentrations:

- Accounting
- Analytics Intelligence
- Finance
- Health Care Management
- Human Resources Management
- Management
- Marketing

Gain hands-on experience

Just one hour from New York City and less than two hours from Boston, UB's prime location offers students access to exciting internship opportunities to gain a footing in their industry. As an MBA student, you'll can take advantage of UB's Innovation Center at Bauer Hall, a space dedicated to innovation and entrepreneurship where you'll work with experts who can guide you through the exciting world of business start-ups — even bringing your creative ideas from concept to reality.
