

# Ensuring Campus Safety at University of Bridgeport

## Our commitment to your student's well-being

At UB, your child's safety is our #1 priority. Our campus is a vibrant academic hub filled with student activities, welcoming facilities, athletic events, and opportunities. We've implemented comprehensive measures to ensure our students can enjoy a safe, inclusive, and thriving campus community.

## Collaborative partnerships

We believe in the strength of community partnerships. UB's Campus Security team partners with the Bridgeport Police Department (BPD) on coordinated emergency response plans, joint training sessions, and a special BPD patrol for UB's campus called UB1. Together, we create a safe campus for everyone.

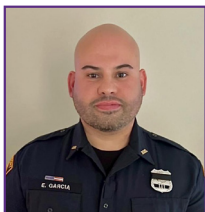

## More on UB1

The Bridgeport Police Department has created a special patrol for UB's campus. UB1 is a Bridgeport Police Officer assigned to UB's campus every day from 4 p.m. to midnight (UB's campus security team is assigned the remainder of the day/evening). The UB1 officers prove to be an invaluable resource for the UB community.
