

# MOVING FORWARD TOGETHER

# UB ANNUAL REPORT

Dear Friends:

As an alum, professor, director, and now Vice President of Innovation, Strategy, and Advancement, I have been a part of the University of Bridgeport community for decades. I am proud of both our rich history and our recent achievements, a few of which you will find in the pages of this magazine.

The University of Bridgeport's Office of Advancement is built upon the belief that great institutions are established by great communities. Our team of devoted advocates strives to cultivate a broad base of support for UB among alumni, students, parents, and friends of the university. Together, we move the institution forward through the creation of transformative programs and partnerships. These initiatives provide essential resources for new construction projects, student scholarships, faculty retention, faculty recruitment, and innovative programs that guide students from education to career.

We are happy to be able to include a giving opportunity in this year's *Knightlines*, with both QR code and envelope for your convenience. The university exists thanks to your belief and dedication, and we need your support now more than ever. As we move forward toward the Centennial in 2027, all of us who care about the future of education are coming together again to lift UB.

I am honored and thankful to be a lifelong partner of this amazing institution and for the students, alums, and donors who help make it all possible.

With thanks,

Elena Cahill, JD '88, '91  
Vice President of Innovation, Strategy, and Advancement
